**Parent counselling of the City of Gütersloh**  
Free offer for all (expecting) parents

Would you like support from the parent counselling office during pregnancy and after the birth until your child's 3rd birthday? We are three experienced family paediatric nurses and will be happy to advise you – in person at our counselling centre, during a house visit, or by phone, video chat or email. We will support you throughout the exciting baby to toddler years.

## Let's talk about:

- > health
- > nutrition, breastfeeding and weaning
- > sleeping, crying and tantrums
- > parenting and development
- > parent cafés, play groups, education and care offerings

More information is available via the QR code or at [www.gueterloh.de](http://www.gueterloh.de) → Elternberatung (in German).
